

The filters in this kit represent the most popular colors Rosco has to offer for use in special events, theatrical productions, photography and filmmaking. The kit contains one piece of 15 different colors to add bold color onto backgrounds, dance areas and set pieces and useful flesh tone colors for use on actors and models.

- Vibrant colors for background washes and dance areas.
- Subtle pinks and rosy ambers for skin tone enhancement.
- Contrasting colors like rich yellows and blues, and moody cyans and purples to enhance the visual presence of your production or photograph.
