RoscoLED® Tape VariColor: RGBA Kit

Vibrant, Versatile Lighting Solutions

RoscoLED Tape Kits are engineered LED solutions that allow set designers and architects to incorporate dramatic accent lighting into their projects. This easy-to-use kit contains two reels of high-quality, fully tunable VariColor RGBA LEDs with integrated power and dimming controls to provide vibrant colors that add another level of style to any installation. Flexible, field-cut-able and fully configurable options offer designers and filmmakers an easy way to integrate LEDs into their next project. All RoscoLED Tape products in the kits are certified to UL and CE standards and come with a 3-year warranty.

WHAT'S IN THE KIT

(2) RoscoLED Tape VariColor RGBA Tape, 5m reels
(1) RoscoLED Tape VariColor Control Box/400W/24V:
(2) RoscoLED 5-pin VariColor Cable - 5M

Additional components are available to fully customize your project.
